

**South/Southeast and Midwest Regional Convening**  
**North Charleston Marriott**  
**North Charleston, South Carolina**  
**May 23-25, 2018**

**PRELIMINARY AGENDA**

***Purpose:***

The regional convenings bring together Oral Health 2020 Network members and others committed to advancing oral health equity and the OH 2020 goals and targets. Participants have the opportunity to learn from one another, share best practices and innovative ideas, deepen relationships, and foster cross-state collaborations.

***Desired Outcomes – Day One***

- A shared understanding of the historical context - of both oral health as separate from overall health and of oral health inequities – in which the OH2020 Network vision, goals, and targets are rooted
- A deeper understanding of the history and current reality of the place in which we find ourselves – Arizona
- An awareness of the OH2020 progress to date across network evolution and expansion, impact, the 2020 inflection point, and branding and messaging
- An opportunity to dive more deeply into the OH2020 Network’s health equity conversation, including ideas for how to bring this conversation back to the states

***Desired Outcomes – Day Two***

- A shared understanding of the prioritized list of 2018 milestones that mark our progress toward the OH2020 goals and targets, including implementation in your state
- An opportunity to participate in a "marketplace of ideas" to share knowledge, skills, and innovative approaches to the work
- A list of controversial topics and recalcitrant issues that we face in our work and ideas for dealing with them.
- An opportunity to build your capacity in advocacy, collaborative planning, or meeting design and facilitation

***Desired Outcomes – Day Three***

- An understanding of the skills and tools needed to frame and develop messages to impact advocacy and influence policy
- An opportunity to meet in our states and develop next steps
